

Third Grade Supply List

We have listed the materials your child will need for third grade below. Please keep in mind that these supplies are for the entire school year. Many of the items are on sale at local discount stores.

We do a lot of art projects and would like for the students to have appropriate materials. It would be helpful if you would put your child's name on the supplies with a permanent marker. All unused materials will be sent home at the end of the year so they can be used again.
